**Cocoa Market Outlook Conference, Tuesday 22<sup>nd</sup> September 2015, London**

Dear Judy,

Now that we are looking at the numerous positive comments about the Cocoa Market Outlook Conference, I wanted to thank you most sincerely for taking the time out of your very busy schedule to chair the event in September.

You performed an outstanding job in guiding us smoothly and effectively through a large variety of expert speakers and questioners, and helped us to cover all of the disparate topics that we needed to address within the tight schedule that we had arranged. I think we had a better Conference as a whole thanks to your efforts.

Thanks too, for stepping in with an appropriate intervention when one of our planned speakers could not be with us. These things happen, as you will know from many Conferences past, but it is especially appreciated that you were able to come to our rescue in this case.

I hope you will enjoy the little gift that we have arranged as a token of our appreciation for your efforts as our Conference chair.

We are now in the process of determining the detailed content of the World Cocoa Conference in the Dominican Republic in May, and being in your region, needless to say, we would very much like to welcome you to that event as well – we may even have a topic for you there!

I look forward to seeing you in the Dominican Republic in May, if not before.

Best regards
